FURNITURE LEGS

Bulgaria

USP

Supplier offers

Furniture legs from wood, metal, and hybrid designs that combine both materials.

Product range also includes fixing plates, metal parts, and frames to complement various furniture styles.

Specialize in custom production, tailoring each order to match your unique drawings and specifications rather than offering a fixed assortment.

Experience

The team has over 30 years of combined expertise in the European furniture industry. Company was started in 2012.

Premium materials

Works with aluminum, steel, beech, oak, and ash, offering a diverse range of design possibilities. All materials are from Bulgaria.

Certified quality

Products meet all European standards and are FSC-certified for sustainable sourcing.

Flexibility
